

2021 Abingdon Motorsport CAR-nival

Following discussions with the venue management and Whirlwind Productions, it will not be possible to hold the traditional Abingdon Motorsport CAR-nival event at Abingdon airfield during 2021.

Such a shame as this would have been our 25th Anniversary.

HOWEVER, there is potential scope for something to take place over the first weekend of October and we are proposing to organise THE **MINI CAR-NIVAL**, a weekend comprising a **Single Course Sprint for 140 cars**, held on **Saturday 2nd October**, and a **Tarmac Stage Rally for 100 cars** on the **Sunday 3rd October** (including Scrutineering etc.) Unfortunately, at this moment in time, overnight camping etc. will not be permitted at the venue.

Nothing can be confirmed until after a '**Test Track Day**' is run after the August Bank Holiday and so we are inviting you to '**Pre-Register**' your interest in attending either or both events by completing a simple form at www.abingdoncarnival.com, which **will be available from 8am Monday 16th August** on a first come, first served basis. At this time no fee will be payable.

Thereafter, and subject to approval by the venue owners and Whirlwind Productions, we hope to release supplementary regulations and invite entries in the order of submission, from the first 140 Sprint Competitors and 100 Rally Drivers who pre-registered. At that time, we will be requiring an undertaking that should the entry be withdrawn then a £30 contribution will be made to the charity funds.

Full entry fees will then be requested on or around 22nd September to gain full acceptance.

We hope that you will all understand that we fully intend to run these events but are keen to reduce the potential workload should our efforts be unfulfilled.

PLEASE NOTE THAT THIS IS AN UNMONITORED EMAIL ACCOUNT and any questions should be sent entries.secretary@aol.com.
