

## AWARDS EVENING

We were planning on handing out the silverware to the award winners in the 2021 season at our social evening on 05 February. However, due to the current Covid issues, the B19MC Committee have made the decision that it would be less than responsible to hold a social gathering at this time. Therefore the awards evening has been postponed for the time being. We apologise for any inconvenience this may cause, but we are confident that you will agree this is the responsible course of action to take under the present circumstances.

If you have already booked your tables at The Top Oak please remember to cancel them.

We will inform you of the revised date in due course.
