

Borough 19 Motor Club

Awards Dinner and Presentation Evening

01 February 2025, 6.30pm

Ye Olde Plough House, Brentwood Road, Bulphan, RM14 3SR

It's time to dust off your glad rags and buy the Missus a new frock!

We are delighted to invite all our members, together with family and friends to our annual awards evening. We will once again be returning to Ye Olde Plough House for this event. We have negotiated a superb deal with the Hotel and are able to offer tickets for the three-course meal with wine for the knock down price of £30 per head. This year we will be making tickets available using the Alpha system which works so well for our speed events . Please click on the link: [Awards Evening Tickets](#)

to complete your purchase. If you have any dietary requirements, please select the appropriate option from the menu. If you have any problems, please email Roger Grimes – roger@borough19motorclub.org.uk.

For your further entertainment we have also secured a guest speaker. Gavin Neate who many of you may know from his exploits sprinting in his 106 Peugeot made the massive leap to complete the Paris-Dakar Rally and he is coming to share stories of his trip across Europe and Africa with us. This follows on in the same vein as last year's speaker, when Duncan Cowper shared his tales of the move from club sprinting to the international stage.
